Objective

I am a passionate graduate of Computer Science with knowledge of building PHP web applications and an interest in Data Analysis. Being a problem solver, I am constantly seeking to solve problems, improve on existing solutions to problems and working hard towards improving as a professional and an individual.

Skills & Abilities

- Good verbal and written communication skills.
- Interpersonal skills and team work.
- Ability to learn independently.
- Microsoft Office Suite (Excel, PowerPoint, Word).
- Client-side technologies; HTML5, CSS3 and JavaScript (ES6).
- Client-side libraries and frameworks; Bootstrap (v4) and jQuery.
- Server-side technologies; MySQL and PHP.
- Version control system and repository; Git and GitHub.
- Basic computer hardware maintenance and operating systems installation.

Experience

Corps Member (NYSC) —

Nigerian Institute of Transport Technology Zaria   **October 2020 — October 2021**

I learnt more on web development by building projects and learnt computer hardware maintenance. I was able to fix some of the faulty computers and properly installed Windows 10 on them.

Intern — Institute of Computing and ICT, A.B.U Zaria   **June 2018 — November 2018**

I learnt the basics of hardware maintenance and basics of networking. I was part of the team that successfully fixed the computers in the institute's computer lab and upgraded the operating system from Windows 7 to 10.

Education

Ahmadu Bello University Zaria — B.Sc. Computer Science, Nigeria   **2015-2020**
